

NMC KIDMIN CAPERS

Hilary

LOCATION: Rocket Science

STATEMENT:

Oh, what a morning! First, I spent hours making our annual "birthday cake for Jesus" that our family likes to do to celebrate the real reason for the Christmas season! What a mess! I tried using Pastor Ben's recipe for frosting, and I couldn't believe how messy that was!

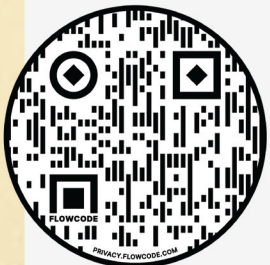

Then, I took the kids to Rocket Science to celebrate Christmas break! I made them use lots of napkins so their hands wouldn't get messy in the van! My own hands were very messy though ... I also saw Emily. She looked like she was getting a tour or something from a friend. Then I saw her come back around because she said she had lost an earring and was looking for it.

Pastor Ben's Notes

Hmmmm. Interesting. Hilary had messy hands from frosting! Was she telling the truth? Were her hands messy from her cake's frosting? Or my cookies' frosting?

But she said Emily lost an earring. Also interesting. Since that's my only clue from the scene of the crime I'll have to check about that with Emily.

NOTE: You might want to take a picture of this clue and the photographic evidence. You can also scan the QR code or go to <http://nmckidmin.com/rocket/>
